Dear Billy,

Referring back to your letter regarding the Skerries/Dunbar fixtures, you have probably heard already on the grapevine that the executive of the club has been in contact with the I.R.F.U. regarding this fixture in seasons to come. It is clear from our contacts with them that the Union understands the significance of this fixture in the club's annual calendar and they have asked us to make a formal submission seeking a derogation from All Ireland League fixtures on the weekends of Ireland/ Scotland fixture (both home and away). I am reasonably confident that there will be a successful outcome to our discussions and I will keep you updated on progress in this regard.

In relation to the Skerries/Dunbar fixture this season, it has been agreed by our committee that this fixture will proceed as originally agreed on the 1st February; we are currently meeting to iron out the logistics of having the Dunbar fixture and an All Ireland League fixture on the same day.

Best regards,

Eamonn O'Hare,  
Honorary Secretary,  
Skerries Rugby Football Club.
