

DUNBAR RUGBY FOOTBALL CLUB 1925 - 1926

DUNBAR RUGBY F.C v. Kenmore,-- Dunbar kicked off facing a troublesome sun, and, after an exchange of touch kicks, play settled in home territory. Kenmore were getting the ball in the scrums, but it was nearly half-time before the visiting forwards rushed the ball over the line for the first try, which was not converted. After the interval, the home team got more of the ball and J Cheshire dropped a beautiful goal. With a margin of only one point between the teams play became very keen, with Dunbar having the better of the exchanges. M.L Gibbs cut through well from a scrum on the Kenmore "25" and gave to R.C Pritchard, who touched down near the posts. W Bone converting. No further scoring took place, the result being;- Dunbar, 2 goals (1 dropped), 9 points; Kenmore, 1 try, 3 points. Although beaten in the tight, the Dunbar forwards played a grand game in the loose, their running tactics being mainly responsible for the victory.
