

DUNBAR RUGBY FOOTBALL CLUB 1925 - 1926

HADDINGTON RUGBY F.C v DUNBAR;- The teams met at Nielson Park, Haddington on Saturday. Dunbar won the toss and set Haddington to face a strong wind. For the first quarter of an hour, Dunbar pressed, but by deadly tackling Haddington kept them out. The Haddington forwards asserted themselves, and, with a great rush carried the ball to the visitors "25" where Yorkston picked up sharply and made the running for Clark to score a good try between the posts. R.L Peden converted. Haddington kept the visitors on the defensive, and on the interval, Yorkston dropped a beautiful goal. In the second half, aided by the wind, there was no holding of Haddington, who brought their total to 34 points. R Peden being sure with his kicking. Dunbar made a desperate effort to score towards the end of the game. Result;- Haddington 34 points Dunbar nil.
