

DUNBAR RUGBY FOOTBALL CLUB 1925 - 1926

Dunbar Rugby F.C v. Heriots "C". This match was played at Dunbar on Saturday. Heriots kicked off. The Dunbar forwards packing well, secured the ball in most of the scrums, and from some excellent back play C Burton ran over for the first try. The same player scored two other tries, only one of which was converted by W Bone. The home forwards continued to press and R.C Pritchard scrambled over the line. On half-time Heriots broke away and scored from an intercepted pass. At half-time Dunbar led by 14 points to 3. With the wind in their favour after the interval, Heriots were soon to better advantage and scored from a penalty. Shortly afterwards the visitors scored their second try, which was converted. Before the final whistle the Dunbar forwards came away with a rush, carrying everything before them, then, from their own "25" well into Heriots territory. Result;- Dunbar 14 points Heriots 11 points. The game was fought out in a fine sporting spirit, and although play was always fast and keen, it was singularly free from accident. The Dunbar forwards were masters of the situation during the greater part of the game , and the backs showing excellent understanding, handled beautifully.
