

DUNBAR RUGBY FOOTBALL CLUB 1925 - 1926

TRINITY RFC v DUNBAR RFC;- This match was played at Lomond Park, Edinburgh on Saturday. Trinity won the toss and took advantage of a fairly strong breeze. They were soon pressing, and it was lucky for the visitors that their backs were tackling well. In a forward rush, Trinity scored a try through Johnston, it was not converted. This seemed to waken up Dunbar, and, shortly afterwards, a great dribble by the forwards carried play to the other end, where R.C.L White broke through and scored a try. J.S Allport, with a fine kick, brought out full points. In the second half a rousing game was witnessed, marking and tackling being keen. From a scrum in the Trinity "25", W Burton obtained possession and ran through for a Capital try, Allport again bringing out full points. Soon afterwards the home side broke away, and McDonald scored another unconverted try. It was a hard game between two well matched sides with Dunbar a slight pull forward. Result Dunbar, 2 goals (10 points); Trinity, 2 tries (6 points).
