

DUNBAR RUGBY FOOTBALL CLUB

1923 - 1924

RUGBY; Tranent 0 Dunbar, 1 try (3 points).

Played in the public park, Tranent on Saturday.

This match was the first between Tranent and The new Dunbar Club. Both sides were very keen to win and the game was, consequently fought out in a boisterous manner. The ground was slightly hard and there was a keen wind which spoilt good play, but the Tranent backs had some good runs.

Hood was nearly over but failed to pass, and was tackled. The Dunbar forwards were good in the loose and their rushes were difficult to stop. Twice in the first half Dunbar got over the line but were called back for infringements and when they scored behind the posts in the second half, they were worthy of their lead. It was a kick ahead which led to the score, Macpherson secured the ball but was tackled in possession and the ball was rushed over the line and touched down. The kick at goal failed. A return match will perhaps be arranged at the end of the season.
