1923 - 1924

DUNBAR R.F.C. v. MUSSELBURGH "A."
These fifteen met at Inveresk on Saturday under ideal conditions. The visitors showed themselves superior from the start, and after about five minutes play Tuck scored Dunbar's first try. Dunbar were good behind and forward. The forwards were extremely energetic in the loose, and getting most of the ball in the scrums, enabled their backs to get well away. Tries were scored by Tuck (4), Gibbs (2), and Brown. The score was greatly augmented by the good goal-kicking of W. Sharpe. Result: Dunbar 5 goals, 2 tries, 31 points; Musselburgh nil.
